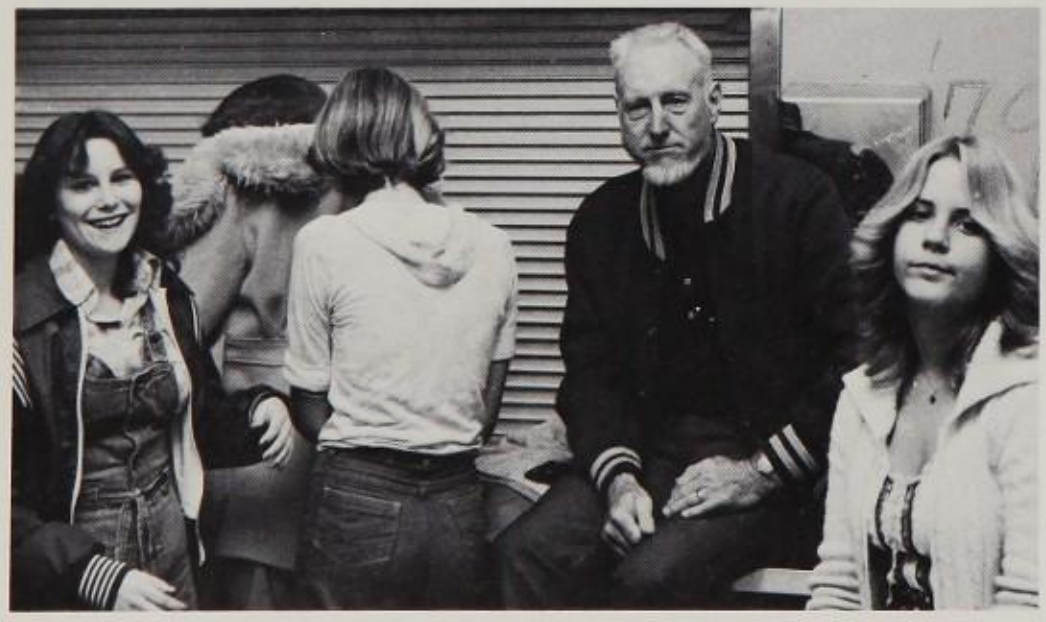
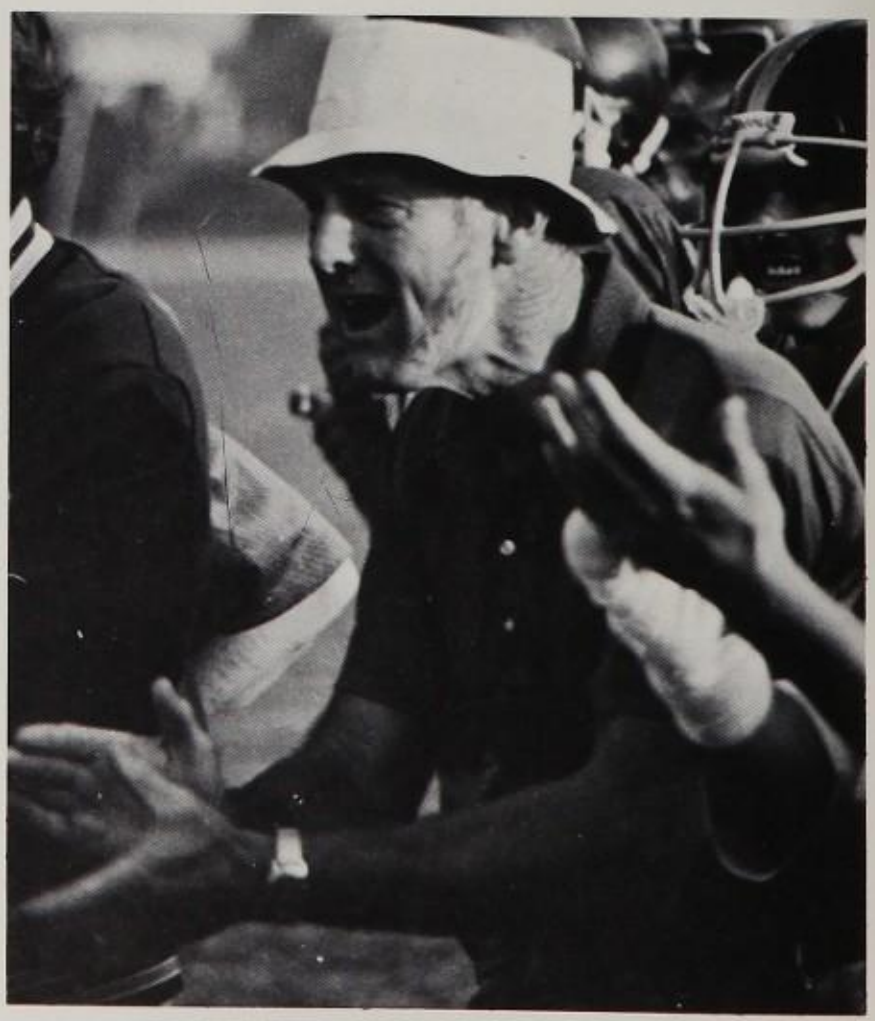
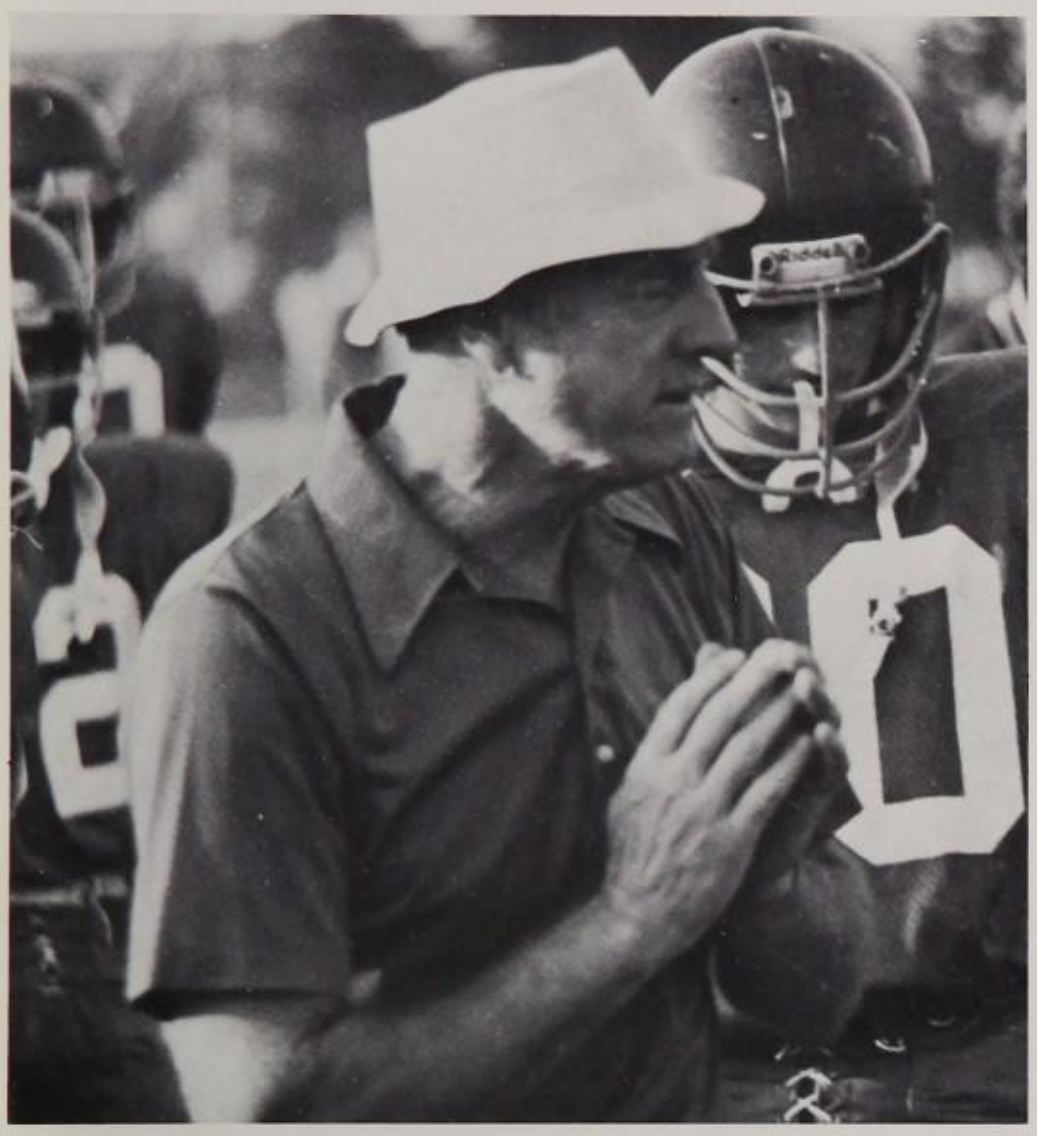
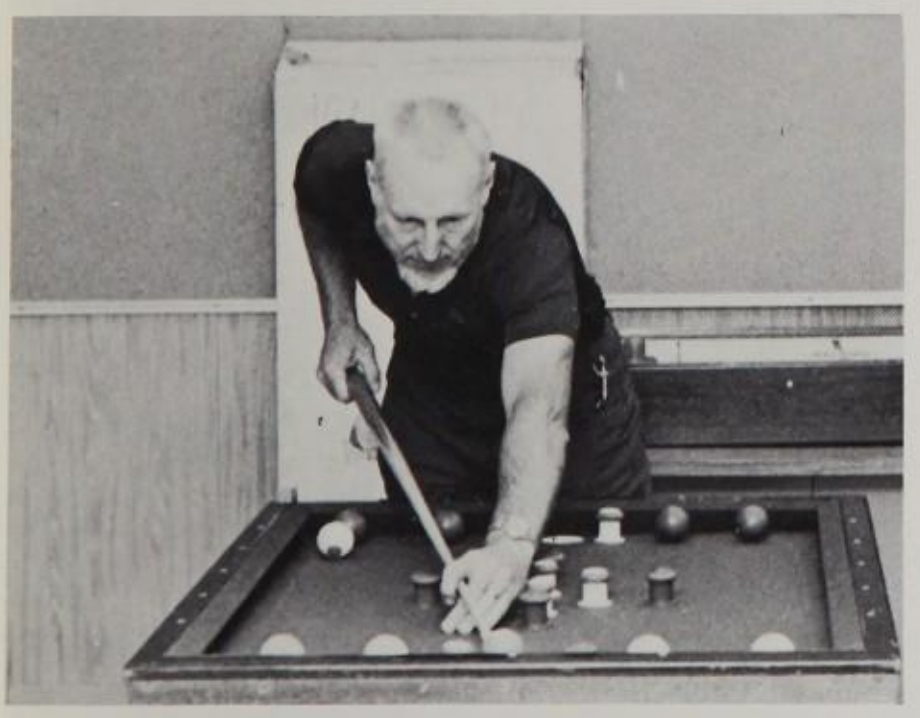
Dedication









Who is the person that can be both serious and hilarious at the same time? Who was the witty host of the "Gong Show?" Who led our 1977-78 Varsity Basketball Team to the Regional Finals? Who? Why, it is none other than Coach Bert Robinson.

With his special ability to relate with students, he has influenced and helped many. Not only does he instruct physical education, but he also coaches the Varsity Basketball Team, assists in coaching the Varsity Football Team, and is always willing to participate in student body activities.

Therefore, because of all his special abilities and involvement in the lives of Prospect students, the 1979 PARAGON is dedicated with deep appreciation to a unique individual, Coach Bert Robinson.

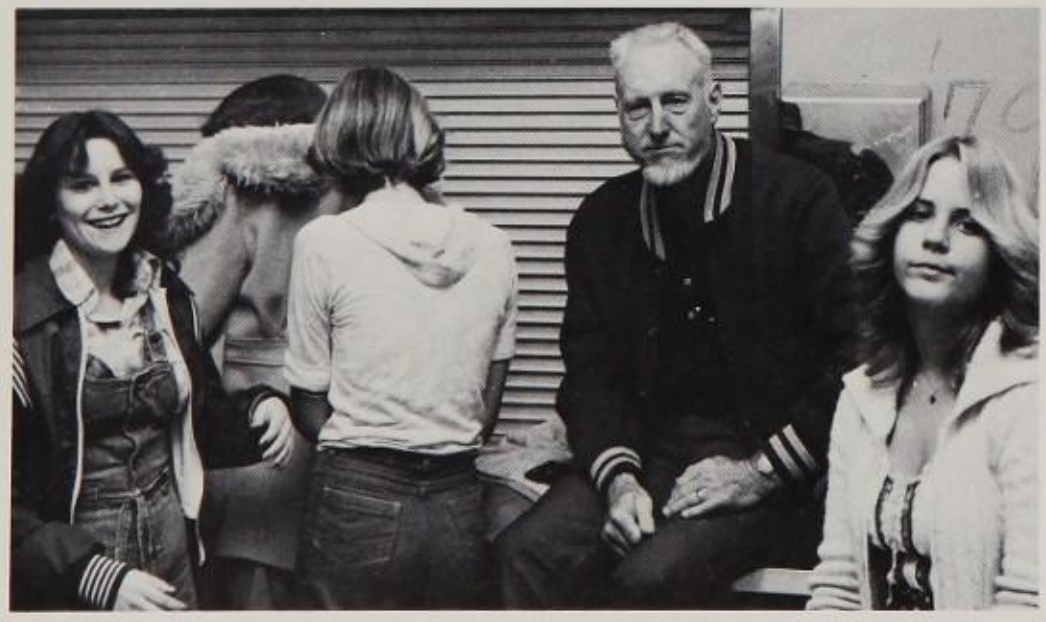
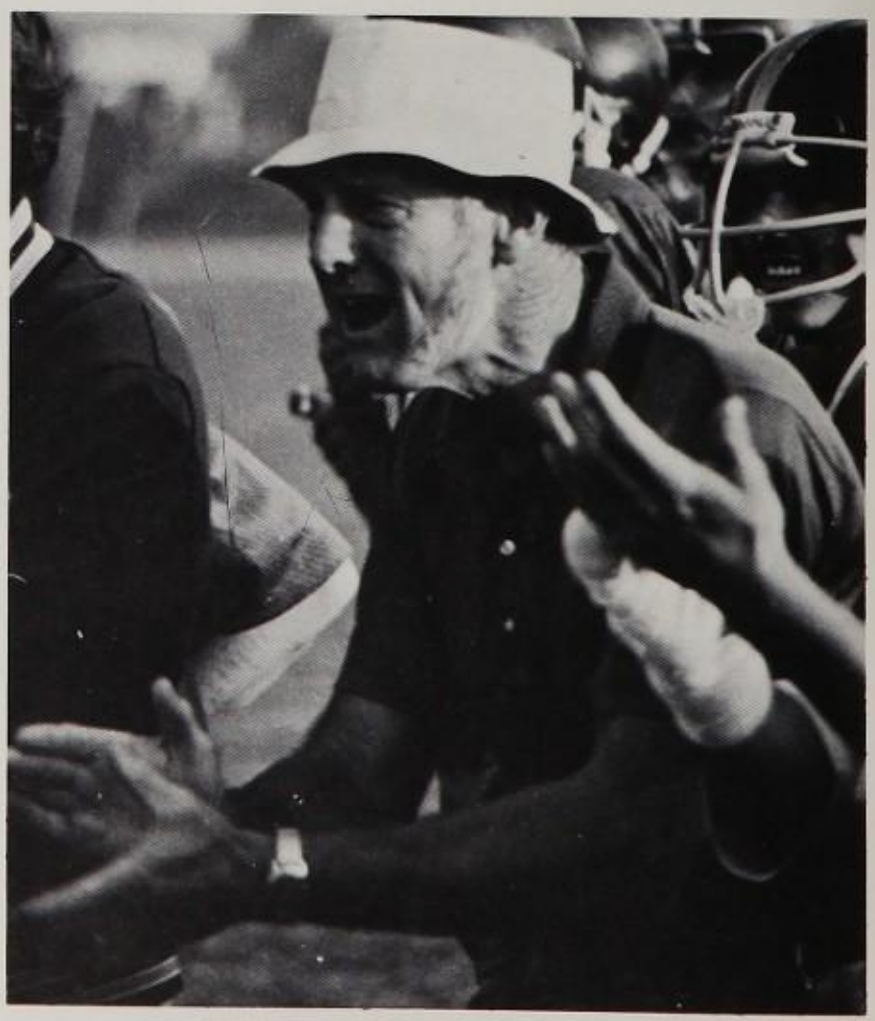
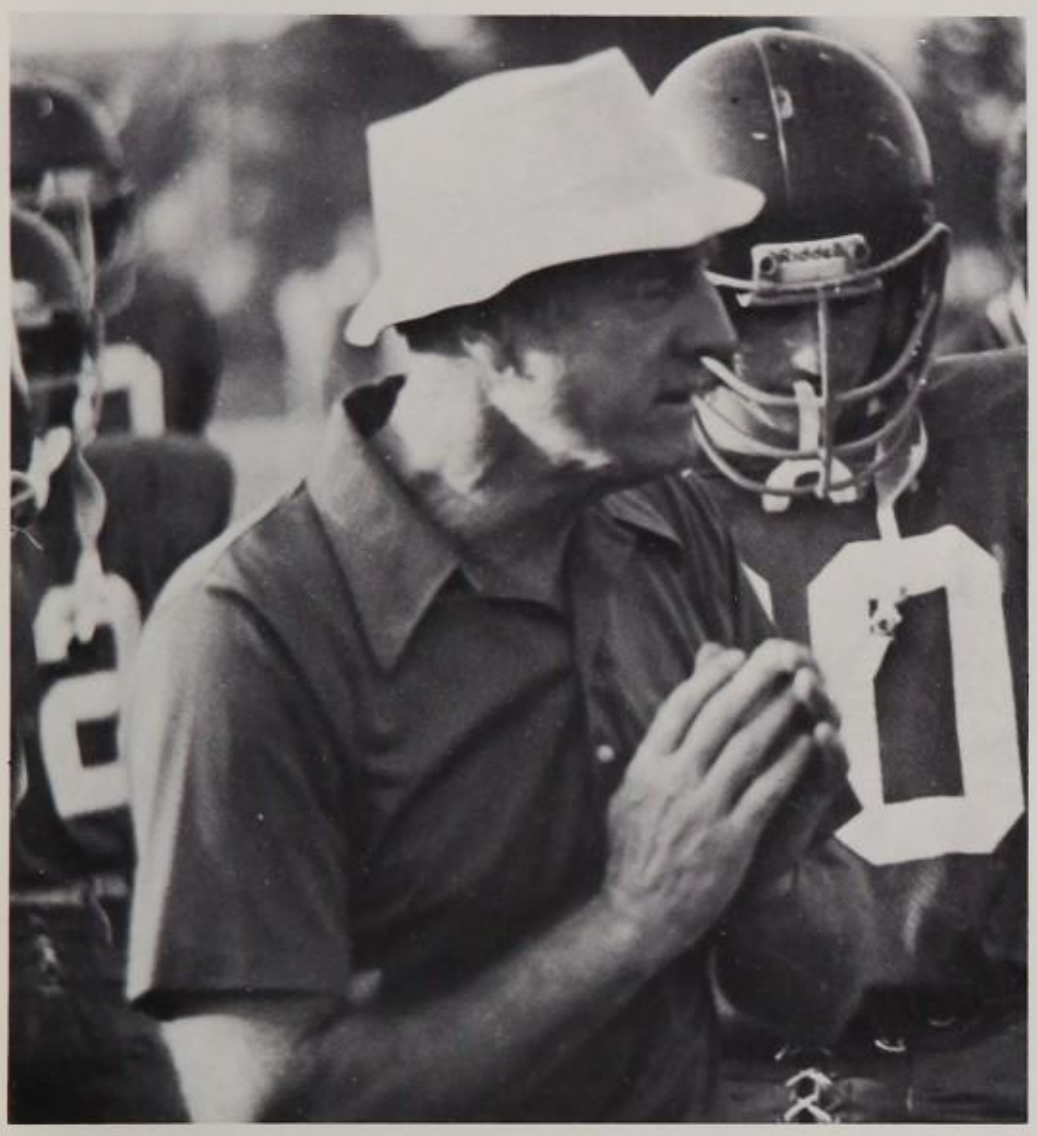
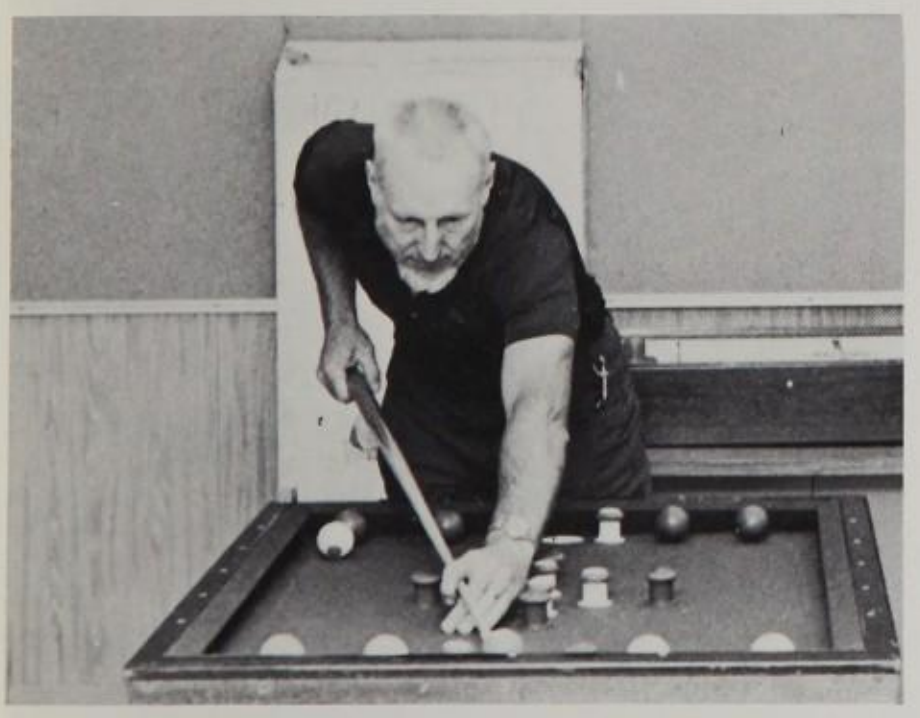
Dedication









Who is the person that can be both serious and hilarious at the same time? Who was the witty host of the "Gong Show?" Who led our 1977-78 Varsity Basketball Team to the Regional Finals? Who? Why, it is none other than Coach Bert Robinson.

With his special ability to relate with students, he has influenced and helped many. Not only does he instruct physical education, but he also coaches the Varsity Basketball Team, assists in coaching the Varsity Football Team, and is always willing to participate in student body activities.

Therefore, because of all his special abilities and involvement in the lives of Prospect students, the 1979 PARAGON is dedicated with deep appreciation to a unique individual, Coach Bert Robinson.
